We were honestly delighted with every aspect of our wedding at the Clybaun Hotel this month. The setup for the ceremony was beautiful and exactly as we had envisioned it. The food was delicious - practically all of our guests commented on it. The staff were amazing! They really are a credit to the hotel. They were always pleasant and happy to help with anything and again our guests commented on how great they were. Nothing was too much trouble for our contact Dermot or other staff and they went out of their way to ensure that everything was exactly as we wanted it - nothing was too much trouble. We really felt that the hotel/the staff treated the day as something special that they were invested in as much as we were. We'd recommend the Clybaun Hotel to anyone who is beginning to plan their wedding. You won't be disappointed!

We had such a fantastic day and night celebrating our wedding at the clybaun hotel on December 2nd 2016, Dermot and his staff are second to none, ye are amazing, polite and so friendly!! Our day and night went without a glitch and ye made us feel so relaxed. Our guests are still raving on about the beautiful food and overall look of this fabulous hotel. We were treated like royalty and were on cloud 9 the entire day and night. So once again thanks so much for everything!!

Had our wedding reception here at the Clybaun Hotel on NYE. Not only did the hotel and function room look brilliant but the management and staff could not have been more helpful and accommodating right from start to finish. From our first meeting with Dermot, the sales and marketing manager in January 2016, nothing has been too big of a request and he has made everything so easy for us and really made us feel special. He went above and beyond for us.

The presentation and quality of food at the reception dinner was fantastic, the yservice was outstanding with even the guests commenting on how well the staff catered to them and how excellent the service was.

Even the next day after-party buffet was excellent, again food and staff service was second to none, with a special mention to Sonny the manager on shift that evening, he was extremely attentive and really could not do enough for us. Every staff member we met was extremely helpful, polite and friendly. They are a credit to the hotel.

I would not hesitate to highly recommend the Clybaun Hotel as the venue for your wedding day or any other special occasion.
